Brief Bits of News From All Sections of the State.

Incendiary fires are causing much loss in Pensacola.

A telephone line has been established between Eustis and Tavares.

The Ocala board of trade will make an effort to inaugurate a county fair.

Work on the new A. C. L. freight depot at Ocala is expected to begin at once.

The fourth murder trial of the present term of the circuit of Hillsboro county is now in progress at Tampa.

DeLandites have raised \$1,000 with which to pinestraw the Daytona-DeLand highway, and a force of workmen is now engaged on the job.

The Daily News of Pensacola says the postoffice in that city is shy on clerks when the busiest time comes. Many postoffices are in the same fix.

L. T. Hegan was elected marshal of Eustis on Tuesday, O. C. Harden having declined to accept the office, forty-one votes being cast, Hegan receiving twenty-one.

Milton, Santa Rosa county, will on February 7, vote on the question of bonding the town in the sum of \$8,500, for the purpose of providing electric lights, waterworks and other improvements.

H. C. Thomas, superintendent at Bittgenbach's mine near Dunnellon, was killed by a runaway tram car Tuesday afternoon. His remains were sent to his former home at Lydia, S. C., for burial.

Senator Martin Dodge, director of the office of roads inquiries, Washington, D. C., was in Jacksonville on Wednesday. He is well satisfied with the progress made on the sample road being built just north of Jacksonville, under the supervision of Government Expert John H. Dodge.

A stock company at Lake Butler, Bradford county, will raise Irish potatoes on an extensive scale. The soil is adapted to the production of this crop and the company will procure seed potatoes of the best grades for planting. The scheme is a good one as the growers need have no fear of frost.

The marriage of Miss Gertrude Peyer, only daughter of Mr. and Mrs. Chas. Peyer of Ocala, to Mr. Bernard Seligman of Columbus, Ga., at the home of the bride's parents on Wednesday, was one of the brilliant events of the season. Over 150 congratulatory telegrams were received by the happy couple.

WILL BUY A LOT.  
Stringfellow and Livingston Went to Alachua for That Purpose.

F. B. Stringfellow of Jacksonville and H. B. Livingston of this city, members of the Diamond Ice Company, left Thursday for Alachua for the purpose of arranging for the purchase of a lot upon which to construct the proposed new ice factory.

While the Atlantic Coast Line or Seaboard Air Line railroads are willing to lease sufficient land to the Diamond Ice Company for the erection of the plant, together with all necessary space for carrying on the business, the company prefers to purchase a lot outright, and will do so if a desirable location can be found at a reasonable price.

Mr. Stringfellow stated prior to his departure that it had been decided to install a fifteen-ton machine, instead of a ten-ton, as was originally planned. The order has been placed with a Columbus, Ga., firm, and the machinery will be shipped as soon as possible. The work upon the building will begin as soon as material can be placed upon the ground, and the new plant will be in the working order before the beginning of the summer.

The Diamond Ice Company are doing everything possible to meet the demand, and the people will no doubt appreciate their efforts.

Greatly in Demand.  
Nothing is more in demand than a medicine which meets modern requirements for a blood system cleanser, such as Dr. King's New Life Pills. They are just what you need to cure stomach and liver troubles. Try them. At all drug stores, 25c. guaranteed.

## SATURDAY WILL POSITIVELY BE DR. GOLDSTEIN'S LAST DAY IN GAINESVILLE.

IS HERE AND WILL REMAIN UNTIL THE 28TH—EXAMINATION AND CONSULTATION FREE.

Dr. G. Goldstein of Louisville, who is well known by the people of Gainesville and vicinity, has arrived in the city and will be located at the Brown House Parlors the balance of the present week. He will fit glasses to the eyes of those who need them.

He has made the study of optics a specialty, and anyone in need of glasses cannot do better than give him a call. Parents of children whose eyes are in any way affected should take them to Dr. Goldstein and have them examined. Too much care cannot be taken in this particular, as any neglect on the part of the parents may lead to most serious consequences in after-life. If the eyes of the child need glasses the Doctor can determine it and adjust such glasses as will be the most apt to preserve and increase their strength. The Doctor has been giving satisfaction for many years, and we can recommend him as worthy the patronage of the public. Those suffering with their eyes should call on him, and if he doesn't give relief it will not cost them anything. He can adjust to any eyes and any age. A good glass rightly adjusted is a luxury to a person with failing sight; they can ill afford to do without. A glass imperfectly adjusted is worse than no glass.

## NEWS OF CITY AND COUNTY CONDENSED

The work on the new building of Miss Eva Haile, East Orange street, between West Main and East Main, is well under way, and the contractor expects to push the building to completion. The building will be two stories in height, will contain eight rooms, and will be modern in every respect. It will no doubt rent readily and command a good price.

His Honor Judge Mason, county judge, complains that business is rather dull in his office at present, and good-naturedly declares if it was not for an occasional marriage license he would be compelled to "stand off" the grocer. The Judge yesterday issued licenses to Chas. Shepherd and Callie Charles, Prince Johnson and Emma Wilson, all colored. Here's luck to the whole business.

Officers on Trial for Murder.  
Tuskegee, Ala., Jan. 27.—John Connors, sheriff of Macon county; George Lamar, a deputy sheriff, and S. Y. Taylor, town marshal of Tuskegee, were arraigned today on warrants alleging the murder of Robert and James McBryde, brothers who were killed in this city by the officers Monday of last week.

## A Serious Mistake.

It is a serious thing to neglect your heart.

The moment you detect any weakness or irregularity, such as short breath after exercise, palpitation, fluttering, weak or hungry spells, pain in breast, side or shoulder, or uneasiness when lying on left side, you should take Dr. Miles' Heart Cure; it rarely ever fails to relieve all these symptoms. If not promptly restored, chronic heart disease soon develops, and then it only remains for some sudden strain to completely exhaust the heart.

Thousands of hopeless cases have been cured, and if you do not try it, it will be the greatest mistake of your life.

"When I began taking Dr. Miles' Remedies I was in a very bad condition. I had stomach trouble, with severe distress after eating. My heart hurt me, and I had shortness of breath, palpitation. My pulse was irregular, and my feet, ankles and hands were swollen. Every month at regular periods I had severe pain. I wrote Dr. Miles' Medical Co. and they advised me to take Dr. Miles' Restorative Nervine and Heart Cure. I soon noticed an improvement, and I continued the medicine until I was completely cured. I feel like a different person. In fact I have not felt so well for 25 years."
